What steps were taking before executing this Complaint?

I Spoke to Suicide watch officer {white} #8507
He said I was dead and I would not shower, eat, or share, or be able to call home to my Family.

I spoke to Deputy Warden Cameron
After apologizing to officer Pierre who originally denied me use of phone because I yelled to him "I need the fucking phone to leave my lawyer a message" "God damn it I have a trial in court this week".

I spoke to Captain Thomas who said that I would not get the phone until I apologize to officer, I told her I Did. And according to minimum standards phone, shower, share, Eating, Recreation is a mandatory thing for detainees on Rikers Island, she became angry and left.

I Apdgrize to peirce i he you are

311 Complainer I heard about you. make sure you spell my name right that's all. no phone etc.

Complaint

ON the morning of Sunday MAY 27th 2018 I requested the phone @

R.H.U. 13B @ G.R.V.E. - Riker's Island
 Defendant #3 Pierce became angry after me exercising my 1st Amendment right to speak and advocate for my services that are mandatory minimum standards set by the N.Y.C. Dept. of Corrections and was threatened with physical violence from Pierce and that I would not eat, etc. if I was to complain to captians.

Defendant #2 Captain Thomas denied me recreation, phone, shower, food, etc. and conspired with "Blood gang members" using her sexy voice to steer up trouble for me, by saying "SEE how speaks to a female captain". I AM currently receiving threats from other correctional staff and inmates.

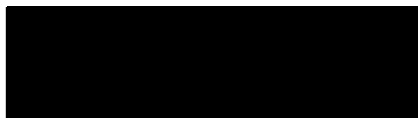

Defendants #1 and Y[#] (Cameron) and [white Y[#] #8507]

turned against me for use of phone
shower, recreation, food, etc due Captain's
Thomas using her sex to overlook
the wrong of denying me services
that are required by law.

I am seeking 1.5 in damages
and 25,000 in punitive damages
1.5 million dollars plus \$25,000

I testify for good purposes intended
to the Above statement as true
